PLYMOUTH ARTS CENTER

Our Mission....To enliven the spirit of our community and to enrich the lives of all, by providing diverse experiences in the Arts.

Since 1993, the Plymouth Arts Center has been the premier arts destination of Western Sheboygan County, providing an enticing mix of experiences in the arts for area residents and visitors alike. Over the past 18 years, the PAC has evolved from a grass-roots group intent on promoting the arts in the area to a legitimate county arts center that is enriching the community and the lives of the people who live here.

Early on, the focus of the Center was on the visual arts through the creation of Gallery 110 North which celebrates WI artists with a lively rotation of noteworthy exhibitions including the annual "Alive in the Arts" Juried competition and the annual Holiday Membership Exhibit. The League of Milwaukee Artists, Wisconsin Painters & Sculptors, WI Oil Painters of America, WI Designer Crafts Council, and Wisconsin Watercolor Society are just a few of the groups that have exhibited their work in Gallery 110 North.
