

PLYMOUTH ARTS CENTER

November 17, 2017

Dear Artist,

We are writing this letter for Artist and Spring Art Tour Coordinator, Pam Bronk, who is recovering from hip surgery at this time. Pam, and the Plymouth Arts Center wish to thank you for participating in last year's Spring Art Tour. We hope it was a worthwhile experience for you and that you will consider participating in June 2018.

While Pam is recuperating at home, the Plymouth Arts Center's staff and I are assisting her by sending you this letter to determine your interest. Included in this email is your application form and contract. We ask that you please complete and send to us as soon as possible so that we may meet our deadlines. As soon as we receive your commitment, our graphic designer, Jody Schetter, can begin working on phase one of creating the brochures.

You will notice in the attached application, that the 2018 tour will be a TWO-DAY event instead of three. Also note, Friday's closing time will be 6pm, instead of 5 to allow more shopping time for out of town visitors. After the close on Saturday evening, we plan to gather at the Plymouth Arts Center for a nice wine and cheese social. More details will follow.

We will be keeping Pam up to date on the applications and we know she'd want us to remind you.....*please send your contracts back on a timely basis as this will allow us to move forward.*

Kind Regards,

Donna Hahn

Donna Hahn, Executive Director
Plymouth Arts Center
and
Pam Bronk, Spring Art Tour Coordinator
