## Capital Funding Pledge Form

The Plymouth Arts Center is embarking on a capital funding campaign to improve our facilities at our home in downtown Plymouth. Together, through your generous donation and the donations of many others, we can make this happen. Our Goal is \$1,500,000. We have initial contributions in the amount of \$500,000, and we have substantial pledges from 100% of our Board Members.

**I (we) have thoughtfully considered the value that the Plymouth Arts Center adds to Plymouth and its surrounding communities, and have decided upon the following pledge toward this campaign.**
